# Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

## About Conference

We welcome you all to the **International Conference on Dermatology and Skin Care**, taking place on **November 16, 2026**, in **Bangkok, Thailand**. This international forum is dedicated to advancing knowledge and excellence in dermatology and skin health under the theme: **“Advancing Dermatology and Skin Care: From Research to Treatment Excellence.”** bringing together experts to explore innovative research, clinical advancements, and practical approaches that translate scientific discovery into improved patient care.

The event is designed for dermatologists, clinical researchers, cosmetic and aesthetic physicians, healthcare professionals, academicians, scientists, residents, pharmaceutical experts, and industry leaders who are actively involved in dermatology and skin care.

We warmly invite you to join us for insightful discussions, expert presentations, and engaging experiences that will contribute to advancing dermatological science and patient care worldwide.
