# Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

## About Webinar

The **International Webinar on Dermatology and Skin Care**, organized by Scientex Conferences, and scheduled for **November 23-24, 2026**. This international virtual event is held under the theme “**Advancing Dermatology and Skin Care: From Research to Treatment Excellence**,” providing a global platform to highlight recent progress in dermatological research, clinical practice, and innovative treatment strategies.

The webinar brings together dermatologists, clinicians, researchers, academicians, cosmetologists, healthcare professionals, industry experts, research scholars, and students, as well as professionals from the pharmaceutical, cosmetic, and biotechnology sectors.

Join this virtual forum to engage with international experts, expand your network, and be part of meaningful discussions in dermatology and skin care.
